## LATIN COMMUNITY NEWS

- **Annual General Meeting of the association Thriskeftiki Omada Latinon Kyprou**

All members of this association were invited to its AGM on 7 July at "Σπίτι των Λατίνων" (The Latin Centre) in Nicosia for a review of its first year of operation, the election of a new Board and brainstorming for further activities.

It was decided that due to lack of possibilities to organise much during the last year (due to the lockdown measures), the same Board should be re-elected for another year:

- **Meeting with the new President of the House of Representatives**

I had a very constructive meeting on 4 August with the new Present of the House of Representatives, Mrs Annita Demetriou, during which we discussed how to enhance the relationship between the House of Representatives and the Latin Community.

- **Participation in the project «Unifying Women's Voices for Social and Political Change»**

A group of women from the Latin Community participated in the above project which aims to develop and strengthen the voice of women in Cyprus.

I would like to thank all the participants for their time and for sharing their experiences and ideas at the dialogue meeting which took place on 4 September.
