**Screening of documentary: “180 years of service to the people of Larnaca - the Sisters of St. Joseph of the Apparition”**

To mark the 180th anniversary of the presence of the Sisters of St. Joseph of the Apparition in Larnaca, I undertook the filming of a documentary to chronicle their contribution. The documentary highlights the important and continuous contribution of the Sisters of St. Joseph to the people of Larnaca in the fields of education, medicine and charity.

The documentary was screened twice in Larnaca with great success. I will keep you informed about screenings of the documentary in other towns.
