Dear Latins,

I would like to inform you of the following:

#### **Invitation: Event to honour Mr. Andreas Karayan – 26 May 2025**

During my meeting with the President of the House of Representatives last Feb 2024, I had proposed the organisation by parliament of an event in honour of our member Mr Andreas Karayan.

My proposal was adopted and Mrs Annita Demetriou will host the event to honour Mr Karayan on Monday 26<sup>th</sup> May at the former municipal hall of Nicosia (on Eleftheria square) at 7.00 pm.

The event is open to the public - should you wish to attend, pls register with the parliament events office tel. 22407386 or email [publications@parliament.cy](mailto:publications@parliament.cy)

#### **Tour to Medieval Famagusta – 8 June 2025**

This will take place on Sunday 8 June 2025 - departure by bus at 9.00 am from Ledra Palace check point in Nicosia and return to the same place at approx. 5.00 pm

The cost is € 40,00 per person including guide, bus and entrance fees (excluding drinks and lunch). Payment should be made to the association in cash on the spot (receipts will be issued by the association).

Limited number of places - those interested should contact tel 22-407238 / [amantovani@parliament.cy](mailto:amantovani@parliament.cy)  
NB this tour cannot be booked online on the website of Mrs Marangou!

- The guiding will be in GREEK and participation is for Latins as well as their families/friends
- You will need to bring passport or ID
- We recommend participants wear light clothes, comfortable shoes and bring hat and water
- For departures from other towns: we can advise whether carpooling to/from Nicosia is available (depending on registrations) closer to the date

#### **Update regarding the following activities which I am organising with the Ministry of Education:**

- In collaboration with the department responsible for the history curriculum at the Ministry of Education, a thematic walking tour has been organised for 70 secondary school history teachers with the aim of familiarising them with the history and heritage of the Latin community in Larnaca (last year we held this event in Nicosia).
- For the fourth consecutive year, a school creative competition was held for all age groups, to encourage students to learn about the (cultural and historic) contribution of the Latins in Cyprus. Paintings, an architectural model, videos, songs/musical compositions, poems and literary texts were submitted from many schools. The award ceremony for the winning submissions will be held at «Σπίτι των Λατίνων» on 18 June 2024 at 7.00 pm

With my best regards,
